Descriptions of the available studies are listed below. Those used for this Logos Team session are marked with the Logos emblem. 

**BEYOND YOUR BACKYARD**

*God is calling you to make a difference in others’ lives. Beyond Your Backyard explores relevant and simple ideas that can impact others—friends, family, neighbors, your community, even enemies—in big and little ways.*

**CONSIDERING SONGS FROM THE BEATLES**

*Arguably the most innovative and influential rock band ever, the Beatles communicated their ideas with unprecedented imagination to an international audience. This innovative small group series helps participants critique popular songs using God’s Word. This study uses a fresh approach to help draw people into a closer relationship with God, regardless of where they are on their spiritual journeys. Each session is entertaining as well as enlightening and faith-challenging.*

**CRASH COURSE SERIES**

*The Crash Course Bible Studies series provides an in-depth overview of important segments of the Bible. Each session will challenge seasoned students and new believers alike to grow in their faith and Bible knowledge as they delve into God’s Word.*

**EATS WITH SINNERS – “Oklahoma Logos Team” **

*Eats with Sinners introduces a biblical model for evangelism—building relationships like Jesus did, one meal (or cup of coffee) at a time. Sidebars feature great recipes for sharing with others, meal traditions from Jesus’ day, and case studies.*

**GETTING RID OF THE GORILLA**

*Living with an unforgiving heart is like living with a gorilla. In these confessions from Brian Jones’s own struggle to forgive, find hope and strength for finally getting rid of the gorilla in your life.*

**GOD’S WORD THROUGH...CANVAS...STAINED GLASS...STONE – “Mango Logos Team” **

*For centuries, the Bible’s dramatic accounts have inspired artists to express the beauty, emphasize the power, and elaborate on the meaning of God’s Word. Each elective study in the Through Artists’ Eyes series is designed to help people connect classic art to the Bible and then apply the truths discovered to their own lives.*

*In each book you’ll experience the artistry of 6 classic works of art while discovering and discussing the scriptural inspiration behind each one.*

**LISTEN AND LEARN**

*What and who you listen to will influence what you do. Sounds like advice you might give your kids or a younger brother. But this is sound advice for kids of all ages. Let’s face it . . . your life has been defined by the voices you’ve chosen to tune in, as well as those you’ve opted to tune out. All of us wish we could go back and dial up certain voices in our lives. And if we could go back, there are voices we would tune out altogether. But, we can’t go back. What we can do, however, is begin to listen with greater discernment now.*

**INVERTED**

*Jesus’ parables can turn your life upside down . . . on purpose. From the first to the twenty-first century, people have heard Jesus’ words and had their directions reversed, perspectives altered, and lives inverted. Unusual twists. Unexpected endings. Woven into the fabric of every narrative are pearls of wisdom waiting to be discovered—and lived out. So forget what you think you know. Find out what Jesus really said. And brace yourself—you’re about to be inverted!*

**NOT A FAN – “Corona Logos Team” **

*Are you a follower of Jesus? Don’t answer too quickly. In fact, you may want to read this book before you answer at all. Consider it a ‘Define the Relationship’ conversation to determine exactly where you stand. You may indeed be a passionate, fully devoted follower of Jesus. Or, you may be just a fan who admires Jesus but isn’t ready to let him cramp your style. Then again, maybe you’re not into Jesus, period. In any case, don’t take the question—Are you a follower of Jesus?—lightly.*

**THE PURSUIT**

*Book of Ecclesiastes that will raise the most challenging questions that we face in life in a very realistic way; remind us what life is really like when we choose the pattern of this world rather than what God has to give; help us develop an everyday theology, showing us how to shape a Christian worldview in light of the challenges of secularism; serve as a guide for us as we seek to learn how to engage culture in an effective way; and enable us to see afresh our need for the gospel of Jesus Christ.*

**WHY WORRY – “Bayshore Logos Team” **

*It’s as much a part of life as breathing. Yet Jesus said, Don’t worry! In this series, you’ll explore what Jesus had to say about this important topic. You’ll discover where worry comes from, why it’s so difficult to overcome, and what you can do to conquer it.*
